

# Science Ireland

## Hands-on science shows at your school

A questionnaire to assess student motivation and intention toward learning science.

Area Assessed	Questionnaire Item	Scale
<b>Attitude toward doing science.</b>	I feel good about going to science lessons.	1                      2                      3                      4                      5 <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> Strongly Disagree      Disagree      Neither      Agree      Strongly Agree
	I enjoy science lessons.	1                      2                      3                      4                      5 <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> Strongly Disagree      Disagree      Neither      Agree      Strongly Agree
<b>Perceptions of peer group</b>	My friends think that science is a worthwhile class.	1                      2                      3                      4                      5 <input checked="" type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> Strongly Disagree      Disagree      Neither      Agree      Strongly Agree
	Most of my friends are enrolled in a science class.	1                      2                      3                      4                      5 <input checked="" type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> Strongly Disagree      Disagree      Neither      Agree      Strongly Agree
<b>Perceived ability to do science</b>	I am mostly able to do my science homework.	1                      2                      3                      4                      5 <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> Strongly Disagree      Disagree      Neither      Agree      Strongly Agree
	I am able to participate in science lessons.	1                      2                      3                      4                      5 <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> Strongly Disagree      Disagree      Neither      Agree      Strongly Agree
<b>Intention</b>	I plan to continue taking science classes.	1                      2                      3                      4                      5 <input checked="" type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> Strongly Disagree      Disagree      Neither      Agree      Strongly Agree
	I will be taking a science class again next year.	1                      2                      3                      4                      5 <input checked="" type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> ————— <input type="radio"/> Strongly Disagree      Disagree      Neither      Agree      Strongly Agree
